Subject: Approval of Amended Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, CML Metals Corporation, Iron Mountain Mine, M/021/0008, Iron County, Utah

Dear Ms. Swensen:

This letter represents final approval of the amended NOI for the Iron Mountain Mine (M/021/0008). The Division of Oil, Gas and Mining has received the two clean copies of the NOI as requested in October, and they have been stamped 'Approved.' One copy is being returned to you for your records and to aid in future amendments/revisions of your operations. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at [www.dogm.utah.gov](http://www.dogm.utah.gov).

The Division considers this change in the plan to be insignificant and not a revision. It consists mostly of a reorganization of the plan.

Copies of the surety documents and reclamation contract were previously sent to you. The surety will be reviewed periodically to assure that the bond remains adequate.

Thank you for your help in finalizing this permitting action. Please call me at 801538-5261 or Lynn Kunzler at 801538-5310 if you have any questions in this regard.

Sincerely,

Paul B. Baker.  
Minerals Program Manager
